

2024 Snapshot ADA National Network

In 2024 the ADA National Network was active across the country, helping people understand and implement the Americans with Disabilities Act (ADA).

In 2024 the ADA National Network gave 1,194 trainings to about 75,000 participants.

Across all ADA National Network websites, we had **4.5 million page views** from about **2 million visitors.**

Our most-visited webpage was “What is the Americans with Disabilities Act?”

Across our most popular social networks, the ADA National Network has **more than 46 thousand followers.**

The ADA National Network is funded by the **National Institute on Disability, Independent Living, and Rehabilitation Research.**

The ADA National Network assisted 12,832 people with their ADA questions.

Most people who requested technical assistance were **people with a disability.**

Most common ADA topics:

- Job accommodations**
- Facility access**
- General ADA information**

The part of the ADA that people asked about most often was Title III, which is about **businesses open to the public.**

We worked on **22 research projects** to better understand the ADA’s impact.
