PART 1: EXPERT CONSULTATION INTERVIEWS

WHAT DO COMMUNITY MEMBERS HAVE TO SAY

BARRIERS IDENTIFIED

- Language barriers
- Fear and lack of trust
- Lack of awareness to resources
- Lack of education on disability/disability awareness
 Immigration

RECOMMENDATIONS

- Culturally competency trainings for staff in organizations
- Educational session on disability rights and ADA
- Partner with community leaders
- Make information applicable and easy to understand

and can help you translate something, like where do you go?"

"For example, do they [immigrants] even get access to know their rights? I'm going to say that I don't think so."

"Having representation matters, having staff that are culturally competent matters."

CONSIDER THESE SPECIFIC STRATEGIES

Continue outreach efforts across the region and look for connections with the Latino/Hispanic community in the in Illinois (as one of the states with most Latinos), and in other states in the region as this community continues to grow.

Connect with local community partners and organizations

Connect with local radio stations to build connections that can spread information about the ADA
